ACROBAT ACCESSIBILITY TRAINING

Acrobat Accessibility Training teaches content authors to create PDF documents that are accessible to people with disabilities. The training focuses on using programs such as Word, Filemaker, and InDesign to generate accessible PDF files. Acrobat Accessibility Training provides attendees with the information necessary to comply with accessibility requirements for your organization's PDF documents. Topics covered include:

- Overview of accessibility requirements relevant to your organization's PDF documentation.
- Proper use of document creation software—such as Word, Filemaker, and InDesign—to ensure PDF accessibility.
- Review of available plug-ins to increase PDF accessibility.
- Techniques for finding and fixing accessibility violations.
- Analysis of known problems in existing documentation.
- Updates to document creation processes to ensure ongoing accessibility.
- Using automated tools to test PDF files for accessibility.

TRAINING BENEFITS

SSB Training is a critical component of a comprehensive accessibility initiative. Training provides:

- Expert advice to reduce the time necessary to implement accessibility enhancements.
- Easy-to-understand instruction that provides your organization with the implementation knowledge required to achieve accessibility.
- Customized course content that enables developers to identify and address known problems in your organization's Information Technology (IT) systems.
- Integration of accessibility into ongoing development processes in order to avoid costly retrofitting projects.

TRAINING METHODOLOGY

Developed by working with over 400 customers on more than 600 projects, SSB training courses include the following features:

- Instruction by Accessibility Experts tailored to your organization's needs.
- Training manual for future reference.
- Onsite or online course delivery, in half-day and full-day increments.
- Customization to incorporate material specific to your organization, such as known accessibility problems and participants' experience levels.
- Integration of training with other SSB products and services to facilitate your organization's overall accessibility initiative.

WHO ATTENDS TRAINING?

Acrobat Accessibility Training is targeted towards Web developers, marketing team members, product support staff, and sales support staff seeking to create and maintain PDF documents that are accessible to people with disabilities and compliant with accessibility requirements.

WHERE DOES TRAINING FIT IN THE PROCESS?

Training is part of the Address phase of SSB's Assess, Address, Assure accessibility solution. Before implementing enhancements, SSB training provides your organization with the necessary tools to manage and implement an effective accessibility initiative. Training also enables your organization to derive maximum value from other SSB products and services.

ABOUT SSB TECHNOLOGIES

SSB Technologies provides solutions that resolve the revenue loss, punitive damages, and compliance risks created by inaccessible Information Technology (IT) systems, including Web sites, Web applications, software, and hardware. SSB's proven Assess, Address, Assure™ solution integrates the business and technical requirements necessary to transform accessibility from a liability into a competitive advantage. With over 400 public and private sector customers, 600 successfully completed projects, and award-winning software, SSB has the experience and expertise to ensure that your organization reaches its accessibility goals.
